# **Business Strategic Plan**

Develop, regularly update, and communicate a business strategic plan with continuous measurement of the plan results.

# Dynamic, Changing Environment Requires:

 Strategy: a collection of choices about how we are going to win in the future; what we will do and not do

 Execution: the discipline of accountability – implementing the choices we make

### **Business Strategic Plan**

(Quiz - Is there evidence?)

Clear, measurable future goal(s) to guide the organization.
 Stated goals are consistent with the market & business context.
 Employee actions are consistent with management expectations.
 There is honest discussion around issues.
 Decisions are translated into action quickly.
 Measurable evidence of how well the strategy is working.
